N. Y. S. I. A. U. MEET TAKEN BY COLGATE

CLOSE RACE FOR 2ND PLACE.

Hamilton Nosed Out by Union in Last Event. Lee Takes 440-yard Dash from LeBarron.

In one of the most interesting and exciting track meets that the N. Y. S. I. A. U. has ever held, Colgate won last Saturday at Hamilton by a large score. Close finishes and fast time marked almost every race of the afternoon. The field events, although not so closely contested, were watched with great interest because the struggle for places between Hamilton and Union finally narrowed down to these events. The meet was fairly well managed, except that the starter's pistol did not always work at the right moment. The trac kwas in very fair condition notwithstanding the severe rains of the past few days.

The meet commenced shortly after one-thirty with the trial heats of the 100-yard dash. Hamilton was represented by three men in the finals of this event, Robinson, Potter and F. Lee qualifying. Next came the high hurdles in which event Hamilton did not qualify, Leavenworth being beaten by a foot. Colgate scored first and second places and Union third and fourth. Hamilton must surely have scored in this event had True arrived in time. The mile run followed and resulted in a pretty race between Rogers of Union and Bernstrom of Colgate. Prescott was running well when he pulled a tendon and was forced to drop out. Rogers made the pace most of the way but Bernstrom and Gould pressed him hard and in the last forty yards they passed him.

"Firtz" Lee Takes the 440.

The next race, the quarter mile, was the prettiest race of the afternoon. The redoubtable Union captain, LeBarron, was picked to be an easy winner. For the first half of the way it looked as though he would be. Lee and Shaul ran third and last, respectively, and it did not seem as though they would have a chance. As the contestants swung into the last stretch Lee and LeBarron took the lead abreast. For a hundred yards they raced* neck and neck, neither able to pass the other, but in the last twenty yards "Fritz" gained on his rival inch by inch and beat him to the tape by a yard. His time was 52 2-5 sec., and had the track been dry and hard the long-standing record of 51 4-5, made in 1903, must almost certainly have gone. Shaul ran a splendid race and finished a good third.

The final heat of the hundred followed which Huntington of Colgate won though the finish was very close. Potter all but won it but had to be content with second. Fritz Lee was still tired from the quarter and could only get fourth. The score of the meet at this point stood as follows: Colgate 24, Hamilton 11, Union 8, St. Lawrence 1.

New Record in Half-Mile

The field events had begun with the shot put. Swarthout, Colgate, managed to heave the ball over 37 feet, which gave him first. Ted Jessup was an easy second. While this was in progress the half-mile was being run. LeBarron ran away from the rest of the field and made a new record for the distance. His time was two minutes and two-fifths seconds, which is two-fifths of a sceond better than the old record held since 1898 by Ostrander of Hamilton. LeBarron took the lead at the start and was never headed although T. Lee and Carmer made a desperate sprint and nearly caught him. Carmer got second place and Lee third. The two-mile run had a small field as only five men started and one of these dropped out at the end of the second lap. Mattoon of Hamilton set the pace from the second to the sixth lap with the others close behind him. At the beginning of the seventh lap Tremper of Union took the lead and held it during the remainder of the race. Running easily and strongly, it was his race from the start. Bernstrom of Colgate caught him in the middle of the last lap and tried to pass him but Tremper pulled away and won handily. Mattoon finished fourth. There was

ANNUAL Y. M. C. A. REPORT

The regular Sunday Afternoon Chapel service was given over last Sunday to the reports of the outgoing and incoming presidents of the College Y. M. C. A, Charles Thompson, '13, gave a brief account of the work which had ben accomplished during his term of office. He mentioned the student Conference at Northfield, the Bible and Mission Study Courses conducted in the fall and winter, the vicinity work carried on by several men in College, and laid especial emphasis upon the encouraging results which had followed the work of the Deputation Teams on each of their trips.

Barnes, '14, president-elect spoke optimistically of the prospects. He outlined some of the needs and made a strong plea for better support from the student body. He concluded by explaining the purpose of the Association, which is to make "every man in College an earnest Christian."

UNION BLANKED IN WELL PLAYED GAME

ROYCE ALLOWS ONLY ONE HIT.

Many House Party Guests See Hamilton Trim Union by 3-0 Score on Steuben Field.

Some men are born great, some have greatness thrust upon them, and others make good pitchers. That's where Steve Royce belongs—right in the first class, where he will go down in the historv of the season of 1913 as having shut out Union by a 3-0 score and held them to a single hit.

It all happened on Steuben Field Saturday afternoon and a very damp, dark, gloomy, disagreeable afternoon it was, despite the smiling countenances of the girls on for the Spring Dances. The opening innings were played in a light rain which gave rise to the prediction that the contest wouldn't go the limit. But it did, and a spectacular limit at that.

The crowd was just beginning to assemble its waterproof paraphernalia when Union came to bat for the last time. Crack went Naumann's bat and the ball started high in the air for the tennis courts. Gow—we're sure it was Millard—gave just one look, then he started, too, his back to the diamond and never another glance at the ball. At the edge of the running track, his back still to the plate, he gave one last lunge. "Yer out," shouted the Ump. And the crowd picked up umbrellas from where they had fallen.

Royce Pitched Well.

Royce undoubtedly pitched the best game of his career. But once did Union get a man past second and that in the first with two men down. The team which beat West Point didn't seem to get even a smell of the ball. Haughton, the only man to connect safely, succeeded in popping out a short hit over second in the seventh but Royce tightened up and the next two men were easy outs.

EDITORIAL.

Desirable Publicity?

In the 'Humor' column of a prominent New York daily just a week ago appeared the following item:

Higher English

(From the Hamilton College Bulletin)

Hamilton College is under no denominational control and never was.

No doubt this item is excruciatingly funny and has been hugely enjoyed by thousands of the readers of that newspaper. Doubtless, too, many newspapers all over the country which look to that paper for material for their humor columns will consider that little exposure of weakness in a classical college well worth the copying. The reading public, which is in great majority not blessed with higher education, thoroughly enjoys a little joke at the expense of the "highbrow" college.

The only thing for us to do, moreover, is to bite our lips in our mortification and keep quiet. There is no chance for a libel suit.

No gnashing of teeth can blot out that fatal item from Page 45 of the recently published and widely distributed Hamilton College Bulletin. The only possible excuse for the error might be that it was copied verbatim from the 1912 Catalog as it seems to have been, but that is hardly sufficient excuse. It is extremely regrettable that the Committee in its haste to get the Bulletin out for early distribution made such an oversight. It is too late to recall the issue now, but at least care can be taken that the troublesome sentence be corrected before a second edition is printed, and a thorough inspection for possible further errors might be advisable.

Spare the Campus.

It is a strange sight at Hamilton to see a fence stretching across a conspicuous part of the Campus for the purpose of keeping people from walking on the grass. The precaution became necessary in the case of the path that was being worn as a short-cut at the entrance of the Campus and no one can criticise the President for his action even though the result does look somewhat incongruous. It is to be hoped that by the time the grass has sufficiently grown in to permit the removal of the wires the short-cut pedestrians will have entirely got out of their pernicious habit and will studiously avoid "getting in" again.

Two or three other places on the Campus, fortunately somewhat less conspicuous than the above, will soon be in need of the same kind of protection unless some care is taken by the students to use the walks more consistently, or at least to walk on a different line through the grass than the one commonly followed. One of these places is between Knox Hall and Commons and the only reason for walking on the grass there seems to be to avoid using the road—and a very good road at that—for nothing is saved in distance by forsaking the road.

Other places might be mentioned, but they are readily enough identified and need no special comment. The thing can be easily remedied by every man making a note of it and taking care to avoid the illegitimate footpaths in the future. The Campus would be greatly improved by such care.

Gym-Showing Again.

The College should consider very seriously at this time the matter of the proposed changes in the system of gym-showing. In another place in this issue is published an account of the meeting of the committee with the resolutions which were drawn up to be submitted to the College for its consideration. The changes suggested are radical, but do they go far enough? Or do they go too far? That is for the College to decide, but only after deliberate consideration.

What the committee attempted to do was to eradicate some of the most objectionable features of the system without destroying it utterly. It is believed that the proposed changes will do away with the interference with studies hitherto caused by gym-showing, that they will do away with indiscriminate gym-showing, and that they will make gym-showing an effective instrument on the Hill.

There are those high in authority in the affairs of the College who believe that gym-showing is an obnoxious practice, a relic of barbarous days when hazing was common in colleges as it is not now, and who would like to see it eliminated on the Hill entirely and forever. If the College does not soon take steps to modify and improve the custom, some such fate may yet be in store for it.

TENNIS TOURNAMENT

In the first match of the semi-final round of the singles Tennis tournament, Williamson defeated T. Jessup 6-4, 6-3. Clapp and Callahan have yet to play and the winner of this match will play Williamson for the championship as soon as the weather permits. The first round matches of the doubles tournament must be played off by this morning. The matches are as follows: Roberts and Kultchar play True and Stone; Ristine and Hastings play Eells and Weaver; Carmer and Flagg, bye; Abernathy and partner, bye; J. Jessup and Callahan play T. Jessup and Beer; Hahn and Griswold, bye; Williamson and Clapp, bye; Chase and Forrest, bye. The winning team will receive silver medals.

CHANGES IN GYM-SHOWING

Representatives of Three Lower Classes Decide on Resolutions.

Following the suggestion in **Life** of May 13 relating to the subject of "Gym-showing," a committee appointed by the presidents of the three lower classes met last Wednesday to discuss measures for improving the present system of gym-showing in College and to decide on resolutions embodying the proposed changes. As a result of the conference the following resolutions are submitted to the College for consideration:

1. That the open season for gym-showing by both classes shall consist of the Monday, Wednesday and Friday nights of the first week following the opening of College in the fall.

2. That a secret committee consisting of one Sophomore from each crowd appointed by the presidents of the two upper classes act as a vigilance committee during the early weeks of the first term to determine what Freshmen, if any, should be subjected to a gym-show. It shall be the duty of the committee quietly to warn any offender at least once before taking action upon him.

3. That the selections of this committee shall be subject to the approval of a committee consisting of the presidents and vice-presidents of the two upper classes.

4. That in the event of a man being selected and approved by these committees he shall be instructed to submit to a gym-show at a designated time, said gym-show to be conducted by the Sophomores in the presence and under the jurisdiction of upperclassmen, and to take place between the close of the football season and Cristmas recess.

The committee which met last week to discuss these changes consisted of the following men: Eddy, Robinson, Leavenworth, '14; Erhardt, Kimball, '15; Baldwin, Callahan, '16.

COLGATE TODAY.

This afternoon the Baseball team meets Colgate on the latter's diamond. Last year we were defeated at Hamilton by a close score but all except the Freshmen remember the result of the Colgate game on Steuben Field. Colgate has the strongest team that she has had in many years, at least so rumor has it. With most of last year's team in the line-up and with the addition of several whirlwind Freshman pitchers, the team from Hamilton has had a most successful season.

Up till the last week or so the Varsity did not seem to be playing in their best form but conditions look a little brighter at the present time. Daniels, who has had trouble with his ar m all spring, is now in first-class form. Griffith at third seems to help balance the infield better than the other line-up. The team is up against a strong opponent but needless to say the men will fight for a victory. All who can should go down to Hamilton this afternoon to back the team.

PSI UPSILON ENTERTAINS

a long delay and dispute about the running of heats in the 220-yard low hurdles and then another dispute about the starting of the same race, but Hamilton was not interested in the squabble. Shaul won his heat and might have had third place had he not taken a bad spill when going over the last hurdle. As it was he was fourth. It was decided to run two men from each team in the 220-yard dash instead of heats. Huntington, Colgate's best sprinter,, won the race in 23 seconds. Adams of Colgate was second with F. Lee and Potter close behind him.

Chafee's Throw Not Allowed.

The field events were nearly finished by this time. The pole vault resulted in a double tie. Baker of Union and Batts of Colgate tied for first at 10 ft. 6 in. and Freeman of St. Lawrence and Johnson of Colgate tied for third. The points were split and the medals were tossed for. Then came the surprise of the afternoon. The hammer throw had been completed and it was announced that the winner was Chafee of Colgate with a throw of 166 ft. 3 in, breaking almost all U. S. intercollegiate records. The ground was sloping where he had thrown so the ring was taken into the center of the field andhe tried again and this throw was three feet shorter. Loud cheers greeted his performance for it was really a wonderful throw. Then Prof. Lewis, as referee, weighed the hammer and found that it weighed fourteen and a half pounds instead of the required sixteen. Inasmuch as a Colgate man won second place by using the same hammer and Jessup and Thompson got third and fourth with a standard one, the result was immediately protested and in all likelihood the protest will be upheld. If it is Hamilton will be awarded first and second places and Union third and fourth as their men were fifth and sixth. Baker won second place for Union by getting first in both jumps. Banks who was still suffering from an ulcerated tooth won second in the high jump.

The final score was: Colgate 75; Union 34 1-2; Hamilton 30; and St. Lawrence 3 1-2. If the protest is allowed the score will be changed to this: Colgate 67; Union 37 1-2; Hamilton 35; and St. Lawrence 3 1-2.

The Hamilton men who made their letters for the first time in the meet were Carmer, T. Lee and Mattoon.

NIAGARA WINS 4—0

Five Inning Game Called on Account of Rain. Daniels Good.

Hamilton played against the rain, the inevitable, and Niagara University Thursday. Rumors that the school by the Falls had defeated several Eastern League teams in exhibition games were well founded. Niagara played with professional aggressiveness and sureness and the result, a score of 4-0 in favor of the visitors, was apparent before the game had gone two innings. Batchelor, '13, who umpired in the absence of Barber, called the contest in the last of the sixth on account of rain.

Daniels, who appeared in the box for the first time this season, showed much promise and against a team more in Hamilton's class would have come close to victory. Niagara scored one run in the first inning, three in the fourth and two in the sixth. Since Hamilton did not have an opportunity to bat in the sixth the final score stands 4-0.

The feature of the game was the batting of Gilhooley, who made two doubles and a home run out of three times up.

The statement in **Life** of May 13 that a game between Savannah and Palmyra had been forfeited to Savannah by a score of 9-0 should have been inverted. Palmyra was given the game after Savannah had disputed the umpire. The statement in **Life** was based on an incorrect report received from Savannah.

EXCITING MEET LOST BY ONLY FIVE POINTS

UNION WINS IN LAST EVENT

"Fritz" Lee Stars For Hamilton With 16 Points. Jessup Breaks Record in Hammer Throw.

Union came and met their match. The score says that they won out by five points. But there is no gloom on the Hill, for everybody knows that our track team has "got the goods," and given more time is going to develop into one of the fastest teams that has ever worn the Buff and Blue. Coach included, everyone was satisfied with the team's work. With unlimited possibilities in "Fritz" Lee, "dark-horse" Potter and "Ted" Jessup and Bushnell, well, the Hill men are smiling for Union next year.

Perhaps the rainbow had a hand in Union's victory, but the advantage of twenty-seven points that Capt. LeBarron and Baker piled up between them was certainly a big factor. Tieing with Hamilton in the 220-yard dash, Union finally pulled ahead in one of the most nerve-racking finishes that the Campus has ever witnessed. The score was, Hamilton 56, Union 61. Baker and Lee were easily the stars of the meet, Baker taking 17 points, Lee 16. One record was broken in the hammer throw the distance being 131 ft. 6 1-2 in. It came at a critical stage of the meet and looked mighty good to Hamilton, when "Ted" Jessup hurled the missile nearly 7 feet farther than Blakely, who holds the college record made in 1903. Coach Risley says Jessup can add several feet to his record before he graduates.

Hamilton Takes Lead.

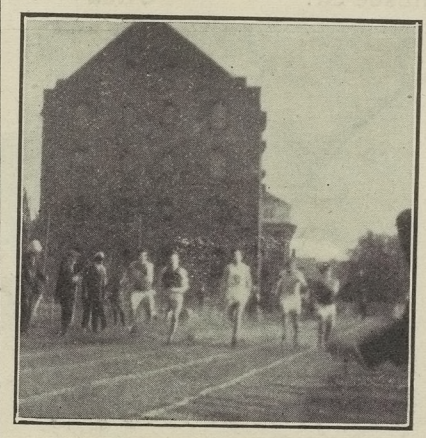
Hamilton took the lead early in the meet by consistently winning the 100-yard dash, the 120-yard hurdles, and the shot put. But the work of LeBarron and Tremper of Union in the distances gradually narrowed down her advantage until, with the 220-yard dash, the score was tied. From this point to the end of the meet it was a battle royal. The outcome hinged on the last two events, the high and broad jumps. After Jessup had taken first in the hammer throw, and Thompson third, Hamilton led by three points. Her hopes rested on Banks in the high jump. Two weeks ago Banks broke the College record at the Interclass Meet, topping the bar at 5 ft. 9 1-4 in. He had been sick the day and night before the meet, however, and the best he could do was to tie with Dickinson of Union for second place, while Baker took first at 5 ft. 5 1-2. There was hardly a sound on Steuben Field while the running broad jump was in progress. Hamilton needed first and third places to win the meet by one point, and it was known that Baker had done over twenty-two feet. "Fritz" Lee was the only Hamilton man to qualify for the finals. Baker came to Union's rescue by clearing 20 ft. 4 in. by the tape, taking five points and winning the meet.

At 4:14 the pistol cracked on the first event, and Hamilton started with a rush. "Fritz" Lee took the 100 yards with Potter at his shoulder. It was easy going, and "Fritz" took time to look back while doing it. Time, 10:2. "Web" True made first in the shot put, and Jessup second. Then Leavenworth ran away with the high hurdles. Mallen of Union fell half way down the course and caused True to lose his stride. True started again, however, and took third place.

LeBarron, Union's captain, as was expected, won the 440-yard dash, but Lee gave him a hard run. The time was 53s. Davis by a fine sprint beat out the Union man for third place. In a slow two mile, Mattoon ran a heady race and took second. In the pole vault, Bushnell could do little against Baker of Union but secured second place.

Exciting Finish.

Hamilton's first worry had come in the 220-yard hurdles, and everybody began counting up when Union added another eight points in the half mile. Carmer ran third in this event



Lee Wins 100-yard Dash
Potter Second

and had he timed his sprint earlier he probably would have taken second. The 220-yard dash, in which Lee again turned around to urge Potter into second place, tied the score.

From then on it was a losing fight for Hamilton. Baker's three firsts in the pole vault, high jump, and broad jump had put Union in too secure a position, and though Hamilton men worked hard, they could not pull out.

True and Leavenworth won their track letters for the first time in Tuesday's meet.

UNION BLANKED IN WELL PLAYED GAME

(Continued from page 1)

Hamilton showed more actual ginger than in any game up to date. The men went to the plate as though they meant business—and they did. Royce, Rothensies and Sid Miller were there with the clouts at critical moments. Higgins, too, came to the rescue with a much-needed hit in the fifth. The errors that must be credited to Erhardt and Rothensies were due largely to the slippery condition of the infield.

The only time that Union looked dangerous at all was in the first when D. Beaver got to first on a low throw from Rothensies to Erhardt. Two stolen bases put him on third and Barclay, who had been passed by Royce, was allowed to jog down to second. Just about that minute it looked as though the much-feared blow-up might come but Royce steadied down and grinned with ghoulish glee when Woods fanned and couldn't find the hole in the bat. Just in passing, it might be mentioned that the crowd had a tender spot in its heart for Woods because he is the brother of "Stan" Woods, ex-'13, the former Varsity first-sacker.

At no time after did Union look the least formidable. Royce pitched just five balls in the second inning [illegible] but three men faced him in each of the next two chapters. Zimmer reached first on an error by Royce in the fifth, but Steve simply smiled and struck out Jenkins, retiring the side. After that it was easy money. In the last two innings but two Union batters reached first.

Hamilton Aggressive.

Hamilton started the game with a rush. W. Gow drew a pass. D. Beaver, the Union catcher, who had evidently been coached to keep runners close to the bases, threw to first in an effort to nail him but Haughton wasn't on the bag and the ball went rolling out into the field while Gow moved up. Royce singled and stole second. Then the crowd woke up to the fact that there might be things doing, but Jenkins tightened up, fanning Rothensies, Ogden and Turnbull in quick succession.

Hamilton had another opportunity to score in the fifth when Gow, the first man up, was passed. Royce drove a hot single through short and Rothensies advanced both runners on a neat bunt. Ogden poked a slow bunt down the first-base line but Beaver was anxious and hit the runner in the back. The ball rolled out toward the field and when Union did get together and return the ball to the plate the throw was wild. Gow and Royce scored. Turnbull fanned but Higgins drove a sharp single to right, scoring Ogden. The decision at the plate was close but the Ump averred that Beaver hadn't touched the runner and that when he wanted to hear any further talk from the Union bench he would provide the Garnet with a first-class phonograph.

That ended the scoring. Hamilton had another chance in the eighth when W. Gow and Higgins got on, but fast work by the Union infield cut off two runs at the plate.

Here's how it looked when put down on paper:

Sacrifice hits, M. Gow, Rothensies, Erhardt; stolen bases, D. Beaver 2, J. Beaver, Barclay, Royce; double play, S. Miller to Royce; left on bases, Union 5, Hamilton 9; bases on balls, off Jenkins 6, off Royce 1; struck out, by Jenkins 11, by Royce 7; hit by pitched ball, D. Beaver by Royce.

Umpire, Barber. Time of game 1:40.

Faculty-Senior Baseball Game

After four years of attempting to instruct the Class of 1913 in the elements of Higher Education, the Faculty is now ready to relinquish its task. The plan is to wind up the courses with a ball game between the two opposing factions.

The Faculty team is going to present an imposing line-up. The battery, consisting of "Chubby" Ristine, the whirlwind twirler, and "Pills" Saunders, who is famous for not letting them "get by," has been spending the cold, gray hours of dawn in conscientious practice. "Chubby's salary wing is in great shape, judging from his wonderful collection of Spencerian curves. "Davvy" motors up the Hill occasionally for practice. As a coach his legal training and argumentative talent will stand him in good stead. Neither Barber nor Batchelor nor any other ump. would be proof against his keen invectives. "Cal" should have no trouble in holding down second.

One Daniel Chase should be able to adorn the short garden. "Trot" Chase will trot around in right field. "Rip" Hastings will display all kinds of speed in center field, "Brownie" will maneuvre the parabolas in left, and "Rocks" will study geological conditions around third. "Schnitz" will perform as pinch hitter, while "Hans Wagner" Squires is being saved for the psychological moment. It is possible that Coach Risley of the Track Team may also line up with the "Professionals."

The Seniors will line up somewhat as follows:

Fear, p., Stone, c., Batchelor, ss., Wheelock, 1b., Roberts, 2 b., Wassung, 3b., Hahn, lf., Gould, cf., Kultchar, rf.

Thursday afternoon at 4:30 is the time set for the struggle. Owing to the nearness of exams and term grades, it is expected that the Seniors will have but few supporters.
